"Naugatuck Valley Health District's Valley Lead Safe Registry Disclaimer Advisory for Housing categorized as Lead-Hazard Controlled:

Housing units listed in this category on the Registry are (1) subject to and have complied with the provisions of 24 CFR Part 35, Lead-Based Paint Poisoning Prevention in Certain Residential Structures, or (2) the Connecticut General Statute 19a-111-1 through 11 Lead Poisoning Prevention and Control Regulations. Given the effects of normal deterioration or the effects of conducting activities such as repair work that disturb paint, no warranty can be made as to the current level of lead-safety of paint, household dust or soil."
