(30) **“Working Area”** means a separate room with more than one workstation, or a private room set aside to serve one customer at a time.

(31) **“Workstation”** means a chair, countertop, and floor space set aside for the purpose of serving a customer, including floor space for the operator to stand while serving the customer.

SECTION B. PURPOSE

The purpose of this Code and its standards is to regulate sanitary conditions at Body Care Establishments in a way that will:

1. Protect and promote public health, safety, and welfare.
2. Prevent the spread of disease including, but not limited to, viral, bacterial, and fungal infections.

SECTION C. ESTABLISHMENT REQUIREMENTS

(1) Plan Review and Submission

(a) When a Body Care Establishment is constructed or remodeled, plans drawn in a minimum ¼ inch scale and specifications for construction must be submitted along with the plan review fee, as listed in the Fee Schedule, to the Director of Health for approval.

(b) The plans shall include but are not limited to description and location of work areas and equipment, sinks, counters, storage areas, toilet facilities, fixtures, and waiting areas.

(c) Manufacturers' specification sheets shall be included in the plan submission for all equipment, floors, walls, and ceilings.

(d) All plans must be approved by the Director of Health prior to construction of the Body Care Establishment.

SECTION D. PERMITS

(1) No person shall maintain or operate a Body Care Establishment without having a valid permit issued by the Director of Health. Only a person who complies with the requirements of this Code shall be entitled to receive or retain such a permit.

(2) Any person who knowingly or willfully owns, operates, or maintains a Body Care Establishment in the Naugatuck Valley Health District without a valid current permit issued by the Director of Health shall be fined in accordance with the fee schedule. Such fine shall be in addition to the regular permit fee and/or any other fees or penalties. Each day of operation in violation of this Code after receipt of notice shall be considered a separate offense. In addition, said violation shall be considered sufficient grounds for the denial of a pending license or subsequent license application by said violator or any partner, shareholder, director, officer, trustee, or other fiduciary of said violator until corrected.

(3) The Body Care Establishment must comply with local Planning and Zoning regulations, Building and Fire Codes and obtain a police department permit, if applicable, before being issued a permit.

(4) Application for a permit shall be made on forms furnished by the Director of Health, wherein the applicant shall state his/her full name(s) and address(s), and whether such applicant is an individual, firm or association, including but not limited to, any partnership, limited partnership, limited liability partnership, limited liability company, corporation, trust or estate, and if not an individual, the name(s) of the partners, members, officers, or if applicable, the duly authorized representative thereof, including but not limited to, a fiduciary, trustee, or receiver, together with their addresses, establishment name, the address of the place of business, and such other pertinent information as the Director of Health may require and affix his or her signature to the application. All permits are valid for one (1) year and are renewable on or before September 30 of each year. Applications for a permit made between April 1 and July 31 of the year shall be charged a partial year fee, which shall be one-half of the regular fee. Permits issued on or after August 1st shall expire on September 30th of the following year.

(5) Every applicant for a permit to operate a Body Care Establishment shall pay an annual permit fee as listed in the fee schedule determined by the Naugatuck Valley Health District Board of Directors. Any applicant whose check is returned unpaid to the Naugatuck Valley Health District shall be required to pay a returned check fee as specified in the fee schedule.

(6) No permit shall be issued or renewed until a completed application has been submitted, the permit fee has been paid and the applicant's Body Care Establishment meets the requirements set forth in this Code and all other applicable state and local regulations. Any person who does not make application for the renewal of his/her body care permit before the expiration date of such permit shall be required to pay a late fee as stated in fee schedule for each day beyond the expiration date of his/her permit in addition to the regular permit fee.

(7) Permits shall be valid until the expiration date indicated on the permit unless suspended or revoked by the Director of Health, or until such time as the facility changes owners, closes, or goes out-of-business.

(8) Permits shall not be transferable from person to person or from location to location. Any planned change in ownership of a facility must be reported promptly to the Naugatuck Valley Health District and such changes must be approved by the Naugatuck Valley Health District prior to the issuance of an operating license.

(9) Permit(s) must be displayed in a prominent location within the establishment where patrons can observe it.

(10) A temporary permit to operate Body Care Establishment may be granted for a period not to exceed fourteen (14) calendar days. A temporary permit would be required for conducting a public demonstration, a fund-raising event, or a public convention.

SECTION E. ANNUAL INSPECTIONS

(1) The Director of Health shall promulgate such rules and procedures as are necessary to ensure compliance with this Code.

(2) At least once a year, the Director of Health, or his/her authorized agent, shall inspect each Body Care Establishment and shall make as many additional inspections as are necessary for the enforcement of this Code and the Public Health Code of the State of Connecticut.

(3) The Director of Health, or his/her authorized agent, after proper identification, shall be permitted to enter, during normal operating hours, any portion of any Body Care Establishment for the purpose of making inspections to determine compliance with this Code and the Public Health Code of the State of Connecticut.

(4) In the event that the Director of Health finds unsanitary conditions in the operation of a Body Care Establishment, or if a **critical** violation is found, the Director of Health shall, after issuing an order to correct the violations, make a re-inspection of the establishment. The permit holder shall be required to pay to the Director of Health a re-inspection fee as listed in the fee schedule. If corrective action is not made in the allotted time, the permit may be revoked or suspended.

Re-inspection fees are due and payable immediately upon their assessment. No Body Care permit shall be renewed unless all re-inspection fees have been paid in full.

SECTION F. PERMIT SUSPENSION

(1) Failure to comply with the provisions of this Code and applicable state regulations shall be grounds for revocation or suspension of any permit issued under the provisions of this Code.

(2) The Director of Health may suspend, without warning, prior notice or hearing, any permit to operate a Body Care Establishment if,

(a) The owner, operator or person in charge has interfered with the performance of the Director of Health's duties.

(b) The operation constitutes an imminent hazard to public health including, but not limited to, any one of the following:

(i) There is an ongoing outbreak of an infectious, pathogenic, or toxic agent capable of being transmitted to consumers.

(ii) There is an absence of potable water, supplied under pressure, in a quantity which, in the opinion of the Director of Health, is capable of meeting the needs of the facility.

(iii) There is a sewage backup into the facility.

(iv) An unlicensed individual is performing procedures requiring licensure by the Connecticut General Statutes or the Public Health Code.

(3) Suspension shall be effective immediately upon delivery of the written order to the permit holder or person in charge of the facility by the Director of Health. When a permit is suspended, all Body Care operations shall cease immediately and shall not resume until written approval to resume has been issued by the Director of Health. The Director of Health, or his/her authorized agent, shall remove a suspended permit from the premises.

(4) When a permit is to be suspended, the holder of a permit, or the person in charge, shall be notified in writing of the suspension, and an opportunity for a hearing will be provided if a written request for hearing is filed with the Director of Health by the holder of the permit within two (2) business days. If no written request for a hearing is filed within two (2) business days, the suspension is sustained. The Director of Health may end the suspension at any time by giving written notice to the permit holder if reasons for suspension no longer exist.

(5) Upon receiving a request for a hearing, the Director of Health shall schedule a hearing not later than ten (10) business days from the date of actual receipt of the request to afford the owner the opportunity to present evidence and argument on all facts or issues involved to examine the merits of such suspension.

(6) The Director of Health shall examine the merits of such suspension and render a decision in writing to vacate, modify, or affirm such suspension within ten (10) business days of the date of the hearing held under this section.

(7) The permit holder who is aggrieved by such action of the Director of Health may, within forty-eight (48) hours after the making of such decision, appeal to the Commissioner of Public Health.

SECTION G. PERMIT REVOCATION/FAILURE TO RENEW

(1) The Director of Health, after providing opportunity for hearing, may revoke or refuse to renew the permit of any person for serious or repeated violations of any of the provisions of this Code, or for interference with the Director of Health in the performance of his or her official duties or for cases where the permit to operate has been obtained through nondisclosure, misrepresentation or intentional misstatement of a material fact.

(2) Prior to revocation or failure to renew, the Director of Health shall notify the permit holder, or person in charge at the facility, of the specific reason(s) for such revocation or non-renewal, and that permit shall be revoked or not renewed at the end of ten (10) calendar days following service of such notice, unless a written request for hearing is filed with the Director of Health by the holder of the permit, or the person in charge of the facility, within two (2) business days of such notice. If no request for a hearing is filed within two (2) business days of such notice, the revocation or non-renewal becomes final. The Director of Health shall remove a revoked permit from the premises.

(3) If a written request for a hearing is filed with the Director of Health by the permit holder, or the person in charge of the facility, within two (2) business days following the service of such notice, the Director of Health shall thereupon schedule a hearing not later than five (5) business days from the date of the actual receipt of the request to afford the owner the opportunity to present evidence and argument on all facts or issues involved.

(4) The Director of Health shall examine the merits of such revocation and render a decision in writing to vacate, modify, or affirm such revocation within ten (10) business days of the date of the hearing held under this section.

(5) The permit holder, or person in charge, who is aggrieved by such action of the Director of Health may, within forty-eight (48) hours after the making of such decision, appeal to the Commissioner of Health.

SECTION H. PERMIT REINSTATEMENT

(1) Suspension

Whenever a permit has been suspended, the holder of the suspended permit may make written request for permit reinstatement. Within ten (10) business days following receipt of a written request, including a statement signed by the applicant that, in his or her opinion, the conditions causing the suspension have been corrected, the Director of Health, or his or her authorized agent, shall make a re-inspection. If the Director of Health determines that the applicant has complied with the requirements of this Code and the State Public Health Code, the permit shall be reinstated and returned to the permit holder.

(2) Revocation/Failure to Renew

After a period of sixty (60) calendar days from the date of revocation or refusal to renew, a written application may be made for the issuance of a new permit. This application will be treated as a new application. All appropriate procedures and inspections will be required.

SECTION I. HEARINGS

The Director of Health shall designate a time and place to conduct the hearings provided for in this Code. The Director of Health shall summarize the proceedings of such hearings and provide sufficient copies. The Director of Health shall make a final finding based upon the complete hearing record, and shall sustain, modify, or rescind any notice or order considered in the hearing. The Director of Health shall furnish a written report of the hearing decision to the permit holder within ten (10) business days of the hearing date. A request for a hearing shall not stay any revocation, suspension, or denial of a permit until such time as a hearing has been held and a decision rendered thereon.

SECTION J. SERVICE OF NOTICES

A notice or order provided for in this Code is properly served when it is delivered to the permit holder, or person in charge, or when it is sent by registered or certified mail, return receipt requested, to the last known address of the holder of the permit. A completed and signed inspection report shall constitute a written notice.

SECTION K. BODY CARE TECHNICAL STANDARDS

(1) General Cleanliness

Each body care establishment shall be maintained to provide a safe and sanitary environment. All supplied facilities shall be kept clean, sanitary and in good repair.

(2) License/Training Requirements

- (a) Hair Salons/Barbershops shall employ individuals who hold a current license from State of Connecticut.

- (g) All personnel shall have an exclusion policy for people with a communicable disease that may be transmitted through the services of a barber, hairdresser, nail technician, esthetician or eyelash technician.

(12) Animals, Pets, Reptiles or Birds

- (a) No animal, pet, bird, or reptile shall be allowed in the work area or other regulated areas of the shop/salon. This prohibition shall not apply to service animals for the disabled. Statutory Reference: Connecticut General Statutes Sections 46a-42 and 46a-44.

(13) Foods and Beverages

- (a) Foods and beverages shall not be prepared, stored, or sold in the permitted premises, except with a valid Food Permit from the Naugatuck Valley Health District. Coffee and tea may be prepared and kept for the convenience of employees and clients, but no charge is to be made to clients who are served. Food and nonalcoholic beverages may, however, be brought into the permitted premises, from an approved source, for immediate consumption and may be dispensed by means of automatic vending machines on the premises.
- (b) Beverages provided to clients shall be provided in a disposable container.

(14) Water and Plumbing

- (a) Establishment must have an approved water supply with sufficient hot and cold running water under pressure (minimum 105° F – maximum 110° F).
- (b) All plumbing fixtures must be protected against back-siphonage or back flow.
- (c) Wastewater shall be discharged into municipal sewers where available or into an approved on-site sewage disposal system.
- (d) Plumbing fixtures shall be clean and free from defects.

(15) Toilet and Sink Facilities

- (a) Establishment shall provide adequate toilet and hand washing facilities for clients and employees.
- (b) Toilet and hand washing facilities shall be in working condition at all times and kept clean and sanitary.
- (c) Each hand washing sink shall have a soap dispenser and disposable towels or an air dryer for hand drying.
- (d) At least one hand washing facility shall be in each private treatment room.

(16) Lighting and Ventilation

- (a) Lighting shall be sufficient to provide adequate illumination in the work area.
- (b) Establishment shall be properly and adequately ventilated to remove excess heat, vapors, and odors (compliant with Building Codes).
- (c) Windows shall be effectively screened against insects, rodents, and other vermin.

(17) Floors, Walls, and Ceilings

- (a) Floors in work areas and walls must have non-porous, easily cleanable coverings and shall be kept clean and in good repair.
- (b) Hair clippings shall not be allowed to accumulate on floors or chairs. Hair clippings shall be removed and placed in a covered receptacle after serving each client.
- (c) Ceilings shall be kept clean and in good repair.
- (d) Cracks in floors, walls and ceilings shall be repaired so as to prevent the harboring of insects and rodents.

(18) Storage/Workstations

- (a) All products not stored in the original container **must be clearly labeled** at all stations.
- (b) A container with a sufficient amount of disinfectant, such as Barbicide, shall be located within easy access of all service stations. Hair salons may keep a container of disinfectant for brushes and combs at their stations or near the utility sink.

(19) Other

- (a) Safety Data Sheets (SDS) shall be made available upon request.

SECTION L. TANNING SALONS/SERVICES: TECHNICAL STANDARDS**(1) Inspections**

The Naugatuck Valley Health District shall inspect each tanning salon at least annually and upon receipt of any written complaint. The Naugatuck Valley Health District local health agent shall have access at all reasonable times to any tanning facility for the purpose of inspecting said facility.

(2) Disinfection

- (a) The operator shall provide clients of the tanning salon access to toilets and hand washing facilities. Such facilities shall contain pump dispenser soap, paper towels, and a receptacle for used paper towels.
 - (b) Each client shall always have access to a safe and sanitary supply of drinking water.
 - (c) All surfaces that encounter the client shall be disinfected after each use. Disinfection shall be carried out using an EPA registered disinfectant and a single use paper towel.
 - (d) The interior of the facility shall be maintained in good repair and in a safe, clean, sanitary condition, free from all accumulation of dirt and rubbish.
- (3) No tanning facility shall claim or distribute promotional material that claims that the use of a tanning device is safe and free from risk.
- (4) Single user protective eyewear must be available and worn when exposed to ultraviolet radiation.

(5) Signed parental or legal guardian consent is required for those under seventeen (17) years of age.

SECTION M. UNCONSTITUTIONALITY CLAUSE

Should any section, paragraph, sentence, clause, or phrase of this Code be declared unconstitutional or invalid for any reason, the remainder of said Code shall not be affected thereby.

SECTION N. CONFLICT OF REGULATIONS

In any case where a provision of this Code is found to be in conflict with a regulation of the State Department of Public Health or any other state law or regulation, on the effective date of this Code, the provision which establishes the higher standard for the promotion and protection of the health and safety of the people shall prevail.

SECTION M. EFFECTIVE DATE

This Code shall become effective April 14, 2003.
